## Individual Hours of Community Volunteer Service

Remember:

1. Volunteer hours may be counted for any service that is provided without pay to an individual or group.
2. Record hours spent in volunteer work from the time you leave home until the time you return. Also count the time you spend preparing to do the volunteer work, i.e., preparing a speech or baking cookies.
3. Combine all volunteer hours together regardless of type of serve performed.
4. Make a habit of recording the activities on a regular basis. A date book is ideal for keeping track.
